### TCC Awarded Certification as a Minority Business Enterprise by the City of Indianapolis

The City of Indianapolis, Office of Minority and Women Business Development (OMWBD) approved TCC as a certified minority business enterprise (MBE).

Certification will provide TCC with many business development benefits. The Office of Minority and Women Business Development is committed to serving businesses owned by minorities, women, veterans, and people with ADA disabilities. The agency helps businesses access contract opportunities from the city, county, municipal, and privately funded projects in Central Indiana.

We anticipate this certification will provide TCC with a competitive advantage as we market our products and services to the City of Indianapolis.
